 M: Oh, I see ... But PE is <sup>4</sup>so / real / such fun. You can relax and enjoy yourself.  
 A: Fun? Relaxing? I have better fun in Science. Yesterday, Kevin missed a goal and the other guys yelled at him. They said, 'We lost because of you! You're rubbish!' I hate that <sup>5</sup>form / sort / choice of thing.  
 M: Yes, it's true that's not <sup>6</sup>.  
 A: I don't think we should have to do PE at school if we don't <sup>7</sup>to.  
 M: But it's important. We can't <sup>8</sup>just / still / quite sit at school for hours; we need some exercise.  
 A: <sup>9</sup>Alright / True / Agree, but there shouldn't be grades for PE. And we should have more choice of sports. I'd <sup>10</sup>to do some individual sports, like running. Or something with one other person, like squash maybe. We could have a climbing wall, or go to the swimming pool. We could have martial arts with a good instructor.  
 M: Yes! I'd love to do kung fu!
