Like it´s Christmas

Da-dom-dom-dom-dom

The snow on the ground, love in the air
The sleigh bells are ringing
This is what it's all about
The fire is warm, the angels are singing

And I don't wanna miss a single thing
Don't wanna put end to all this cheer
But as long as you're with me,it's always the time of the year

You make every day feel like it's Christmas
Never wanna stop
Feelin' like the first thing on your wishlist
Right up at the top
I can't deny what I'm feelin' inside
Nothin' fake about the way you bring me to life
You make every day feel like it's Christmas
Every day that I'm with you

Look at the lights, twinkling bright 24-7

Every inch of Central Park is covered in white
This could be Heaven

And I don't wanna miss a single thing
Don't wanna put end to all this cheer
But as long as you're with me, it's always the time of the year, yeah

You make every day feel like it's Christmas...

MUSIC

Yeah (every day that I'm with you)
Every day, every night

You make every day feel like it's Christmas...

MUSIC

I can't deny what I'm feeling inside
No matter the reason, no matter the season
My heart will keep beating, you better believe

You make every day feel like it's Christmas (like it's Christmas)
Every day that I'm with you
(Oh-oh-oh, oh-oh-oh, oh-oh-oh)
Every day that I'm with you
(Oh-oh-oh, oh-oh-oh, oh-oh-oh)
Every day that I'm with you
