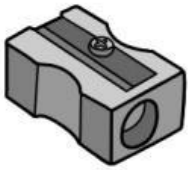
Lest's practice!

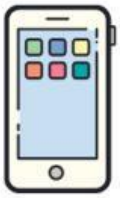
1 Of the following technological artifacts, I identify which are simple and which are compound. I write below each one whether it is SIMPLE or COMPOUND.



2 Match the device with its function:

I can dry my hair with this device.



With it I can make calls, send messages, take photos and much more...

It allows me to search for information, do assignments, browse the internet, among other things...

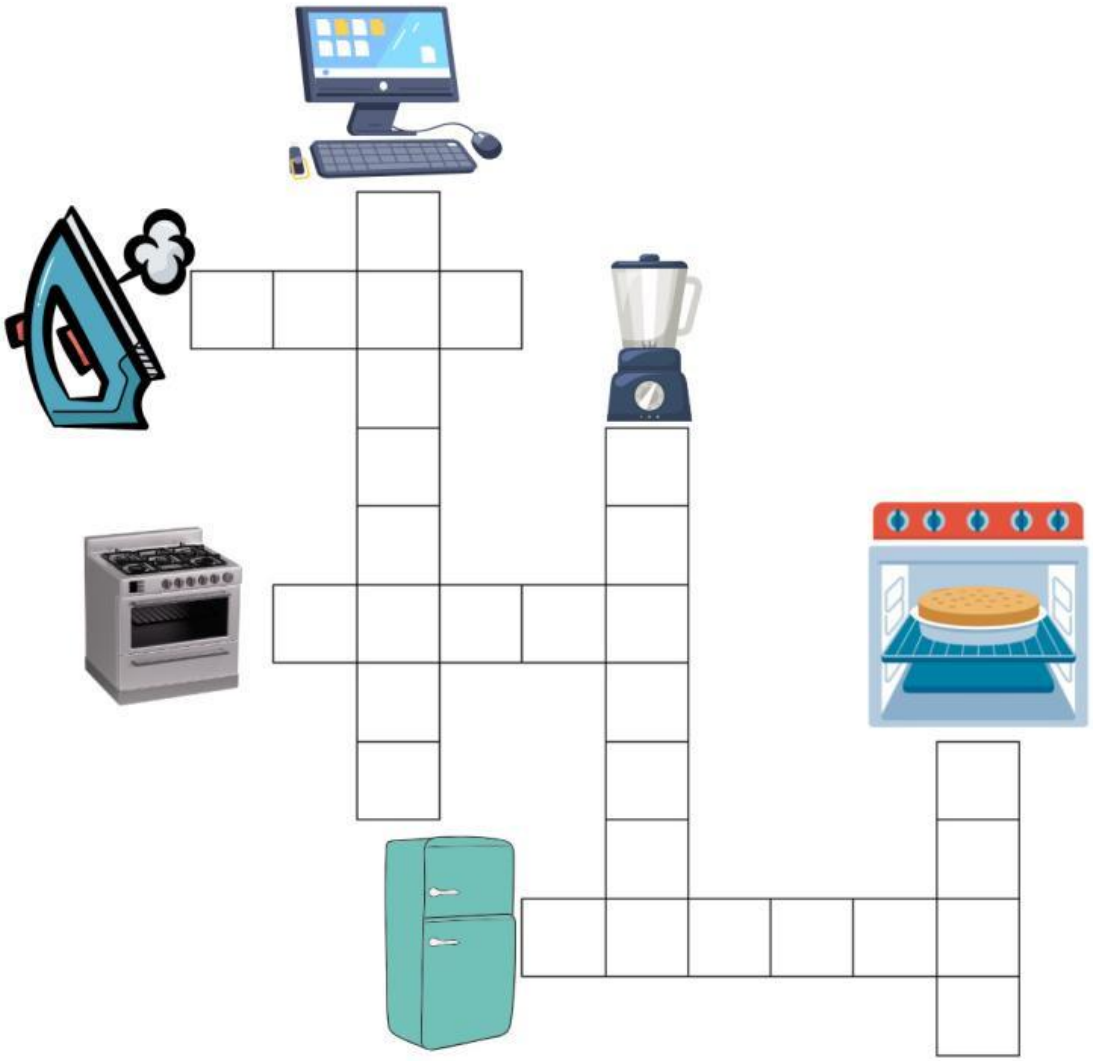
3 Now, I will complete the following crossword puzzle, writing one letter in each square until I have completed the name of each technological artifact.



4 I look for the words in the following word search. When I finish, I tell my teacher which human need each one of them satisfies.

- CLOCK
- PENCIL
- BED
- FORK
- CLOSET
- CHAIR

J	B	K	E	E	F
U	F	C	W	D	C
C	L	O	S	E	T
H	I	L	R	B	X
A	C	C	C	K	U
I	N	I	J	N	L
R	E	J	E	G	J
W	P	N	X	V	E
