

## IDIOMAS I - Systems Engineering

### Lesson Worksheet 3

Listen and complete the text with the words in the box:

<i>Adjust</i>	<i>Lock</i>	<i>Set</i>	<i>Use</i>	<i>Go</i>	<i>Slide</i>	<i>Don't forget</i>
		<i>Dim</i>	<i>Check</i>	<i>Turn on</i>		

"Welcome to your new smart home! Here are the instructions to help you get started:

First, \_\_\_\_ the system by pressing the power button on the main control panel.

Now, let's start with the lights. \_\_\_\_ the brightness using the app or voice command. You can say, '\_\_\_\_ the lights to 50%', or just \_\_\_\_ the brightness bar on your phone.

Next, \_\_\_\_ the temperature. \_\_\_\_ the thermostat to set the temperature to 22°C. You can also program it to change automatically at different times of the day.

If you want to monitor your energy usage, \_\_\_\_ to the 'Energy' section of the app. This will show you how much electricity you're using and give you suggestions to save energy.

For security, \_\_\_\_ all doors by saying, 'Lock the doors.' You can also \_\_\_\_ the security cameras from the app.

Finally, \_\_\_\_ to turn off the system when you're done by pressing the same power button on the control panel or using the app."
