Now Jesus works in my life and helps me share the Gospel on YouTube with many people.

No matter what I did, I still felt empty inside.

I watched more videos, learned about Jesus, and the empty feeling in my heart went away.

I started to know Jesus Christ when I saw Christian videos on Instagram.

Even though I did those things, I did not really know God.

When I was younger, I became addicted to video games like Fortnite, Minecraft, and Brawl Stars.

I got very angry when I lost and sometimes even threw and broke my tablet.

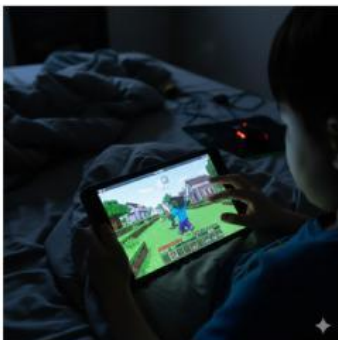

I grew up in a Christian family and went to church, read my Bible, and prayed every day.
