– 7 questions –

Look at the picture and read the story. Write some words to complete the sentences about the story. You can use 1, 2, 3 or 4 words.

Kim and Paul's evening

It was Saturday afternoon. Paul and Kim were bored. They wanted to go to the cinema but their dad was busy and couldn't drive them there. So Paul said to his sister, 'Let's go and get our friends and play football.' The first friend they saw said, 'I can't. I have to clean my dad's car.' Then they went to see Michael and May. They said, 'Sorry, our grandma and grandpa are here so we have to stay at home.' Their last friend wasn't at home.

Kim and Paul went to the park and played with their ball. Then they left there and walked down the street. They kicked the ball and it hit a man's car. He was angry and he ran after them. They ran to get away from him and went into a street they didn't know.

Then they heard something. They walked to the corner, and they saw some people on chairs in the street. On the wall of a house they could see a film. Paul said, 'This is an outside cinema, they're watching a film!' They sat on the grass and watched too. Thirty minutes later a woman came to them and gave them an ice cream. After the film the children ran home because they were very excited, and wanted to tell their mum and dad about their afternoon.

Butterflies

Example Butterflies are insects. There are many different kinds. You
1 can find in most places of the world.
2 There are both big and small butterflies. The biggest are
like bats! The smallest are like very small flies.
3 insects have three parts to their bodies. They have six
4 legs, you may not see all of them.
Butterflies have wings which are often spotted or striped, and their
colours are very beautiful. They can fly fast and a long way. They
5 weak but they are strong. Some kinds fly more
6 1,000 kilometres to warmer countries in the south for
7 the winter, and then in the spring they fly back home
the north.
Butterflies stand on their food and use their feet to taste it. They
8 have mouths. To get their food, they use something
9 that's a 'proboscis', which is very long. They drink the
10 juices from flowers the proboscis. They can hide it when
they are not using it.
