

Write the equation of the line
in point-slope form.

$$(4, 6), m = -2$$

Write the equation of the line
in point-slope form.

$$(-5, -1), m = 3$$

Write the equation of the line
in point-slope form.

$$(7, -3), m = 1$$

Write the equation of the line
in point-slope form.

$$(0, 8), m = 0.5$$
