? Запитання №10 (з однією правильною відповіддю)

Dear Kate,

I'm having a great time in England! I'm staying at my friend's house in a small town not far from London. The weather isn't very good here. It's cold and it often rainy. Sometimes it is cloudy and windy. But it's not a problem because I have got some warm sweaters, a coat and waterproof boots.

I've already met a lot of new friends. We went to London two days ago. This city is fantastic! I saw many churches, libraries and museums and I'm going to visit the British Museum!

Yesterday we had a Halloween party. It's a traditional British holiday which people celebrate on the 31st of October. Children love it very much. They wear costumes and eat tasty food.

I've taken a lot of photoes of my new friends and the places I have visited. I've also bought you some nice souvenirs.

That's all for now.

Love, Ann
