All around me are faces
Worn out places, worn out
Bright and early for the daily

Bury a friend By Billie Eilish

What do you want from me? Why don't you from me?
What are you ? What do you know?
Why aren't you of me? Why do you for me?
When we all fall asleep, where do we go?

Come here
Say it, spit it out, what is it exactly
You're payin'? Is the amount cleanin' you out? Am I ?
Today, I'm thinkin' about the things that are
The way I'm drinkin' you down
Like I wanna, like I wanna end me

Step on the, your tongue (Ahh)
Bury a friend, try to wake up (Ah-ahh)
..... class, killing the son (Ahh)
Bury a friend, I wanna end me

I wanna end me
I wanna, I wanna, I wanna... end me
I wanna, I wanna, I wanna...

What do you want from me? Why don't you run from me?
What are you ? What do you know?
Why aren't you of me? Why do you care for me?
When we all fall, where do we go?

Listen

Keep you in the dark, what had you ?
Me to make you my and make you a star
And get you connected?
I'll meet you in the park, I'll be calm and
But we knew right from the start that you'd fall apart
'Cause I'm too
It's probably somethin' that shouldn't be said out loud
Honestly, I that I would be dead by now (Wow)
Calling security, keepin' my head held down
Bury the or bury a friend right now

The debt I, gotta sell my soul
'Cause I can't say no, no, I can't say no
Then my all froze and my eyes won't close
And I can't say no, I can't say no
Careful

Step on the glass, your tongue (Ahh)
Bury a friend, try to wake up (Ah-ahh)
