

A. Complete the sentences with the correct perfect form of the verb in parenthesis.

1. I'm really hungry! I _____ since this morning. (not eat)
2. We didn't want to watch the movie because we _____ already _____ it. (see)
3. How long _____ you _____ at this company? (work)
4. I think by the year 2050, a lot of animals _____ extinct. (become)
5. I _____ Ella for two years. (know)

B. Complete the text with the correct form of the verbs in parentheses. Sometimes you do NOT need a perfect form.

I ¹ _____ (live) on a boat for fifteen years now, and I love it. Before moving to London, I ² _____ (not live) on a boat before, so when I first ³ _____ (tell) people about my plan to live on the River Thames, they thought I was crazy. When I arrived in London, I realized I ⁴ _____ (cannot) afford a normal apartment, so I decided to buy a boat, and I ⁵ _____ (be) here ever since. The best thing about living like this is that you see a different side to London—one that's closer to nature. However, I don't have much storage space, so I ⁶ _____ (not be able to) buy a lot of things since I moved here. In fact, I'm hoping that by the end of this year, I ⁷ _____ (save) enough money to buy a bigger boat.
