Part-time jobs for students...

Hi everyone. My name is Ma Jun. I'm 21 years old. I'm a college student and I need a part-time job. I'm outgoing and I love meeting new people. Of course, I'm very honest too! Can you give me some ideas? What part-time jobs do you do?

Miguel: Hey Ma Jun! Every Friday evening, I work in a restaurant. I help prepare the salads and I also wash the dishes. It's a good job, but I often feel very tired because I finish very late at night!

Huong: My cousin's job is great. Several times a month, he works in a big clothes store. However, he doesn't serve customers... he works as a model! He wears clothes from the shop and stands in the store window! You need to be an outgoing person for this job. I'm too shy! I don't like people looking at me!

Bernadette: Wow Huong! Your cousin's job sounds great! I have a part-time job in my uncle's hotel. I clean the rooms and I also wash and fold the sheets. The pay is quite good but I need to get up very early. My work starts at 6 a.m.! I'm happy I only work there twice a week!

Eduardo: Hi Ma Jun. What do you like doing in your free time? Do you like playing video games? I test video games. I work for a few hours every week. It's a fun and interesting job. Are you interested? Please message me on elu@higames.net.
