The weather in England is mild, dry or wet and windy in..... It is a beautiful season because all the leaves change color to a golden yellow, orangey-red and lots of golden brown. It isn't usually.....in October and November, but it is.....and wet some days. Some mornings get foggy, making it difficult to drive into work or walk to school., on the other hand, is usually freezing. The temperature falls below zero. It may.....once or twice and there are stormy winds. There is frost on the pavements and roads in the early morning. Children like to slide down slopes and build snowman if it snow heavily enough.is the best season because it is.....again after the long cold, wet and foggy winter days. All the trees are full of new green leaves and you can see lovely spring flowers like daffodils everywhere. The weather in spring is not always nice in April. It often.....and there can be strong winds too. Sometimes it's, but it is warm and sunny most of the time. The best season is summer with the blue skies and lots of, It tends to get very hot in July and August when all the fans come out at night and beach visits are more regular.
