Part 4. READING (6 questions)

Read the passage. Choose the correct answer.

Community life is important for teenagers. Many schools encourage students to join volunteer activities such as cleaning beaches, planting trees, or supporting poor children. These programs help students understand the value of sharing, cooperation, and responsibility. They also learn that everyone, both men and women, can contribute to society equally. When young people get involved in their communities, they become more confident and active.

23. What is the passage mainly about?
A. Gender equality in schools
B. How to clean beaches
C. The importance of community life for teenagers
D. School subjects for students
