

Counting my blessings

Seph Schluter

It's like it was yesterday

Scared to have a little hope

And now -----

Seeing all the things You've done
I can't even add them up

One, two, three up to infinity
I'd run out of numbers

Before -----

God, I'm still counting my blessings

For all that -----

The more that I look in the details
The more of Your goodness I find
Father on this side of heaven

I know that -----

But I will keep counting my blessings

And I know that seasons never last forever
So, God I will remember all of the reasons

All the times You've been faithful to me

God, I'm still counting my blessings...
