READING

11 Read about the Bernhardt family.

Susie Bernhardt isn't from a typical family. She's from a traveling family. She doesn't have a house or yard. Susie travels around the world in a van with her parents, Marco and Agnes. Marco is a photographer and Agnes is a painter. Susie is 13 years old and she also has two brothers, Leo and Patrick, but she doesn't have any sisters. Leo is six and Patrick is eight.

Susie's aunt and uncle travel with Susie's family. Her uncle James is her dad's brother. He's a diving instructor. Her aunt Vicky is a teacher. They don't have children, but Vicky has a lot of students. She teaches them online. Susie chats with the students, too.

Where is home? Well, the family is very mobile. They don't have a home in one place. Home is by the ocean or in the mountains – in different places. Susie likes traveling. She doesn't have best friends in one town or city, but she has friends all over the world.

Answer *True* or *False*.

1 Susie's family has a lot of houses. False
2 Susie is 13 years old. _____
3 Susie has two sisters. _____
4 Susie's aunt and uncle travel with Susie's family. _____
5 Vicky is a diving instructor. _____
6 Susie has friends in different places. _____

10

12 Read the text again. Circle the correct option.
