

1RO A PRIMARIA: NOMBRE COMPLETO: _____

FECHA: Martes 25 de noviembre del 2025

Descubrimos patrones en las luces del árbol.

A. Mira las luces del árbol navideño y responde.

1. ¿Qué colores ves?

2. ¿Se repiten en algún orden?

3. ¿Qué color vendría después del último foco?

B. Colorea los focos que faltan para completar el patrón.

a. ● ● ● ● ● _____

b. ● ● ● ● ● _____

c. ● ● ● ● ● _____

Escribe con tus palabras la regla que seguiste:

4. Describe el patrón numérico y completa.

Diagram 1: Sequence of green circles with numbers 11, 13, 15, and three empty circles. Above each circle is a box with a red '+' and a black '-'. Red arrows connect the boxes from left to right, indicating a pattern of addition or subtraction.

Diagram 2: Sequence of pink hearts with numbers 17, 20, and three empty hearts. Above each heart is a box with a red '+' and a black '-'. Red arrows connect the boxes from left to right, indicating a pattern of addition or subtraction.

Diagram 3: Sequence of green starburst shapes with numbers 23, 26, and three empty starburst shapes. Above each shape is a box with a red '+' and a black '-'. Red arrows connect the boxes from left to right, indicating a pattern of addition or subtraction.

Diagram 4: Sequence of yellow octagons with numbers 14, 18, and three empty octagons. Above each octagon is a box with a red '+' and a black '-'. Red arrows connect the boxes from left to right, indicating a pattern of addition or subtraction.
