

To my love :

I must confess that i didn't expected someone so _____
like you entering my life, i wish i could be there and give you a
lot of _____ and _____ in all your face my dear, i'm sorry
if this gift is different to the others, and if my gifts are less than
the yours, but i wanted to tell you, that i _____ you, you are
the best person and _____ in the world, and in all the
universe, you mean a lot for me, and i wish we can be together
forever, i must admit that i was afraid at the start of our
relationship, because i didn't knew if my form of loving you was
the correct, but now, that we celebrate _____ months of
relation, i'm satisfied with myself, and with all the things that we
have done in all this year, from _____ to _____.

I have more things to say, but i will keep them for the rest of the
gifts, with nothing more to say, i love you, and i will love you for
all the eternity my future wife 

With love
-Your husband
