

WRITE AN ESSAY BETWEEN 220-260 WORDS

Your class has watched an online discussion about the benefits of using social media. You have made the notes below:

Benefits of using social media 💡

- getting the news
- building friendships
- finding work

Some opinions expressed in the discussion:

"You can get news that's always up-to-date."

"The best way to stay in touch with people is by using social media."

"A lot of companies use social media to advertise jobs."

Write an essay for your tutor discussing **two** of the benefits of using social media in your notes. You should **explain which benefit you think is the greatest, giving reasons** to support your answer.

You may, if you wish, make use of the opinions expressed in the discussion, but you should use your own words as far as possible.
