

Listening Task

Listen to the song, Nature's Fury and complete the lyrics below.

[Verse] The _____ it shakes beneath my feet A heartbeat wild a broken beat Sky turns red like it's alive How does it feel just to survive The _____ they howl they tear they roar No walls can hold no locked front door Rivers rise they kiss the land A _____ of fury we can't withstand [Chorus] Nature's fury nature's cry Spinning chaos in the sky We're so small beneath its might One breath one storm one endless fight [Verse 2] Fire dances a cruel ballet Ashes whisper what words can't say Mountains crumble oceans rage The planet turns another page We build we break we try we fail Against the thunder and the gale Lightning strikes a sudden scream A waking nightmare or a dream [Bridge] It's a cycle we can't rewrite Dawn to dusk and day to night We take we give we live we lose But it's the earth that gets to choose
