Hi Lam

We're on vacation in Thailand. It's humid but it's beautiful. Yesterday we went on a trip to the jungle. We saw a big waterfall and we walked in a deep cave, but we didn't see any animals. There were lots of tall trees and bushes, so we walked slowly and carefully on the path. Tomorrow we're going to visit a museum and then we're going to sit on the beach on the weekend and relax!

See you soon,
Mi
