

Arrange the following sentences into a coherent text

Then, heat oil in a pan.

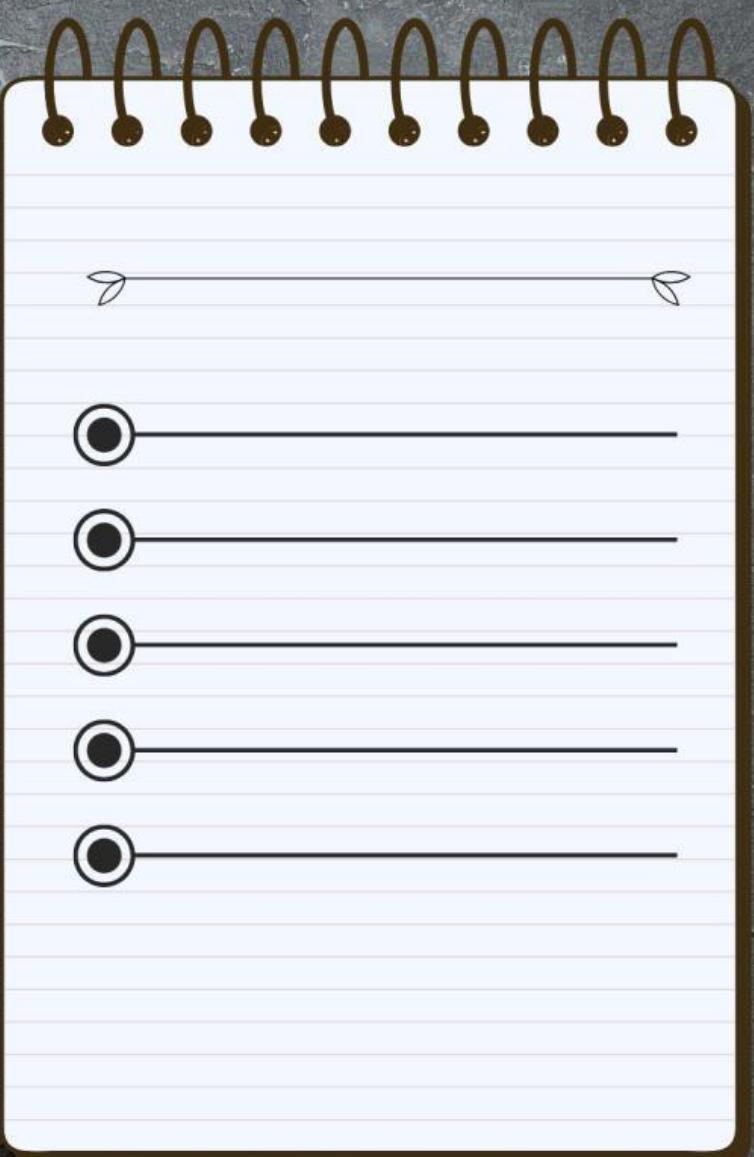

**How to Make Bakwan Jagung (Corn Fritters)**

Next, mix all ingredients in a bowl to form a thick batter.

First, prepare corn kernels, flour, garlic, spring onion, salt, and water.

After that, fry the mixture in hot oil until golden brown.

Finally, drain the fried bakwan and serve them warm.

A spiral-bound notebook page with five numbered circles for sequencing the sentences. The circles are arranged vertically on the left side of the page, with horizontal lines for writing the corresponding sentence next to each circle. The page is blank on the right side.
