Tick the lines with incorrect words

Transport, motorways, and tramlines

Starting and then stopping

Putting on and landing

The emptiest of feelings, disappointed people

Clinging onto bottles

When it comes, it's so, so irritating

Let down and hanging around

Crushed like a bug in the ground

Shell smashed, waters flowing

Wings twitch, legs are going

Don't get sentimental

It always ends up drivel

One way, I am gonna grow wings

A chemical reaction

Hysterical and useless

Let down and hang

You know, you know who you are with

You know who you are with

Floor collapses, floating

Jumping back
