Hi, I'm Nick. My weekends are really busy! I do lots of different activities.

Every Saturday morning, I visit my grandparents in their village. When I'm at their house, I sometimes walk their dog or help out in other ways, but I never help my grandma to do baking. In winter, I don't spend the whole day, I go home on Saturday afternoon and go to basketball training. We sometimes play a match. In summer, I stay with my grandparents and play tennis. My grandad is always in the garden, but I don't like gardening, so I hardly ever help. In the evening, we usually watch TV.
