

Instructions:

Read each sentence carefully. Underline the subject (who does the action) and circle all the nouns (people, places, things, or ideas).

A Morning at the University

Every morning, Ana wakes up early.

She takes the bus to the university with her friend Carlos.

In class, the teacher writes on the board, and the students listen carefully.

After class, Ana goes to the library to read a book and use her computer.

She feels happy to learn new things every day.
