

End of Semester (Unit 4) Practice Paper Homework

- Present Simple Passive
- Past Simple Passive

REMEMBER – recall facts / basic concepts

Complete the sentences with is/are or was/were + past participle.

- a) English _____ (speak) in many countries.
- b) The classroom _____ (clean) every morning.
- c) These cookies _____ (make) yesterday.
- d) The windows _____ (break) last night.
- e) Rice _____ (grow) in many parts of Asia.

UNDERSTAND – explain ideas / show comprehension

Decide whether each sentence is present simple passive or past simple passive. Choose one:

- a) "The homework is checked every Friday."
Present simple passive / Past simple passive
- b) "The school was built in 1985."
Present simple passive / Past simple passive
- c) "Lunch is served at 11:30."
Present simple passive / Past simple passive

- d) "The computers were repaired last week."
Present simple passive / Past simple passive

- e) "Plastic is recycled in this centre."
Present simple passive / Past simple passive

APPLY – use the grammar in new sentences

Change the active sentence to the passive voice:

- a) The chef cooks the meals.

- b) They planted the trees in 2020.

- c) The students clean the art room.

- d) The storm damaged the houses

- e) The librarian arranges the books.

ANALYZE – compare / classify / identify patterns

Look at the pairs. Tick the sentence that uses the passive correctly. Explain why.

★ ☐ The film is made last year.

☐ The film was made last year.

Why?

★ ☐ The rules are explained yesterday.

☐ The rules are explained clearly to everyone.

Why?

★ ☐ English is learned by many students.

☐ English learned by many students.

Why?

EVALUATE – justify / judge correctness

Read the short paragraph. Rewrite the incorrect passive sentences.

"Our school festival is held last weekend. Many games are organised every year. The prizes were give to the winners. Food is sold by the parents. The concert was perform by Grade 8."

Rewrite the incorrect sentences correctly:

19. _____

20. _____

21. _____
