

È arrivato il momento
di scrivere i numeri con
i simboli giusti.

Sono
pronta!

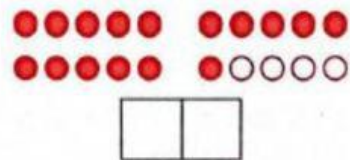

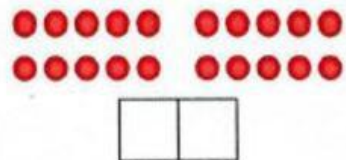

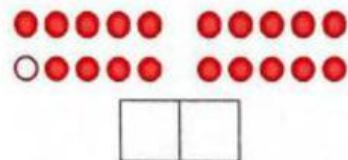

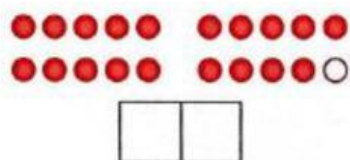

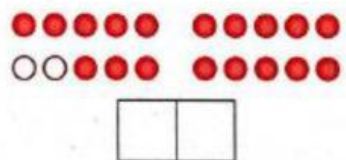

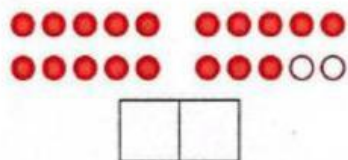

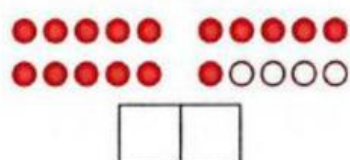

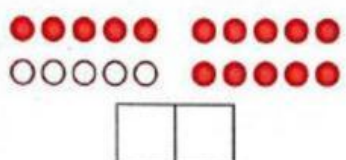

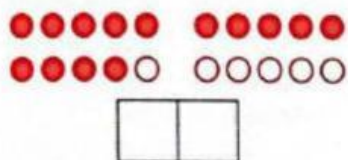

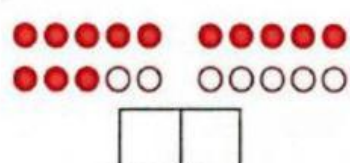

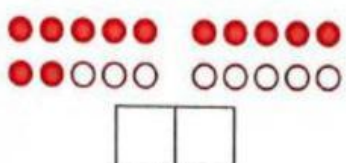

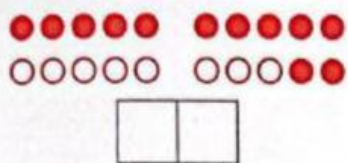

Prima di scrivere il numero
delle palline colorate, leggi tante volte.

Prima di scrivere i numeri,
esercitati a leggere
le quantità velocemente.

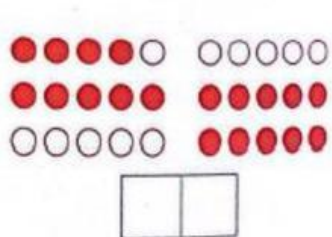

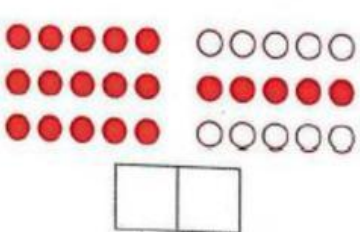

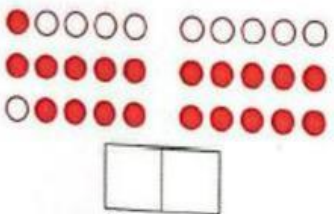

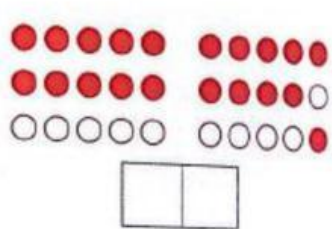

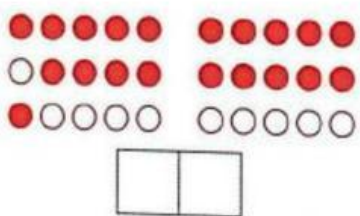

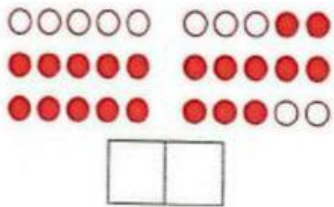

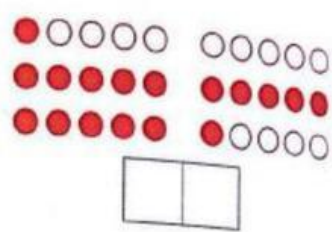

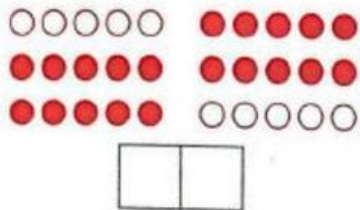

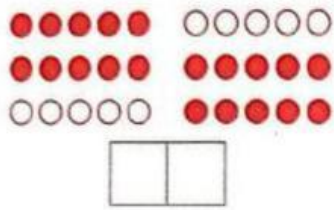

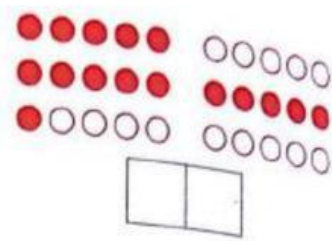

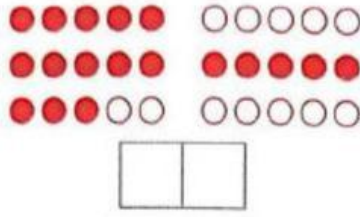

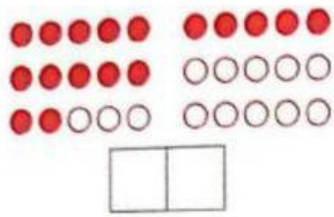

Ho capito: i numeri
hanno un nome
lungo che si scrive
corto.

Prima di scrivere i numeri,
esercitati a leggere
le quantità senza contare.

Sto imparando
un sacco di
trucchi da
solo.

Prima di scrivere i numeri,
esercitati a leggere
le quantità senza contare.

Ce la faccio!
