# Friday 24th May: School Records Competition

What do you think of world records? In my opinion, they are fun and interesting. Well, we have a School Records Competition every year. It is the funniest day of the year! Everyone can join the fun!

**These are some records to beat:**

- **Thomas Baker:** He's the fastest runner. 100m in 14.4 seconds!
- **Katie Lancer:** She's the most intelligent student. 19/20 questions correct in 5 minutes.
- **Mrs Price (our Maths teacher!):** Her pizza is the longest of all: 80 centimetres long!
- **Daniella (Mr Nunn's pet cat!):** She's the most beautiful pet of all. Bring your photos, not your pets!

Are you faster, taller, more intelligent or maybe funnier than your classmates?

Then come to the School Records Competition and be the best!

Check out the after school clubs website for all the records you can try. There are a lot of them!
