

## SPEAKING PROJECT PREPARATION WORKSHEET

### TECHNOLOGY AROUND ME: A REVIEW

Name: \_\_\_\_\_

Student number: \_\_\_\_\_

#### A. Task Instruction

- Choose one gadget or app that you use in your daily life. Examples: WhatsApp, TikTok, Instagram, YouTube, phone, tab/iPad, laptop, etc.
- Create a T-chart to write the things you like and dislike about the app or the gadget you choose. Use the available table below and write at least three points in each column.
- Write the things you want to speak using the expressions for likes and dislikes, such as: *I like, I love, I can't stand, I hate, etc.* in the available space below.
- Record a short video (maximum 2 minutes). In the video, you must:
  - Mention the name of the app or gadget you choose.
  - Explain what you like about it.
  - Explain what you don't like about it.
  - Use at least six expressions to show likes/dislikes.
  - Speak clearly and confidently.
- Submit your work: the worksheet and video recording through the available link.

#### B. T-Chart: What I Like and Dislike about the Technology

Name of App/Gadget: \_\_\_\_\_

Things I Like	Things I Don't Like
1	1
2	2
3	3

#### C. Speaking Preparation (Notes)

Write the key points you want to say in your video. Don't forget to use the expressions.
