Tom's Daily Life

Tom is twelve years old and he lives in a small town with his parents and his sister. Tom is a student, but he also has a small weekend job: he helps his neighbor, Mr. Wilson, in his garden on Saturdays. Tom likes this job because he loves being outdoors and he can earn a little money.

Tom has many hobbies. He likes playing football, reading adventure books, and drawing cartoons. He usually plays football after school, but today he isn't playing because his team is preparing for a big match next week. Right now, Tom is practicing drawing in his bedroom. He is making a comic about a funny robot.

Every Saturday afternoon, Tom visits his grandma, who lives on the third floor of a big apartment building. She has a small dog called Milo, and Tom loves playing with him.
