Listen again and fill in the gaps with ONE word

Hey, Tim, it's Jeffrey. I'm calling about the Neighbours Unite _____ I joined last Saturday the 16th. The event started at 9 o'clock in the morning and _____ on until 5 o'clock in the afternoon. Students from the _____ school helped pick up the rubbish from the streets. There were also several groups of people going around the neighbourhood to help people with _____ tasks: repairing fences, painting walls, that sort of thing. Lucy Jones was in charge of that. You know, she's really good at DIY. By the way, do you want to join me and my family at Fairway Park this weekend? We're planting a community garden. Some people have _____ lots of small trees and plants, so we'll be busy all day! Let me know if you're coming with _____.
