Many of the products we buy in supermarkets are grown by farmers in developing countries. But farmers **(A1)** ... enough to make a living. So the idea of 'fair trade' has been around for many years. When you **(A2)** ... the FAIRTRADE mark on a product, you know that the farmers have been paid a fair price for their crops. You also know that they have been given extra money – the Fairtrade premium. This can be used by farmers to develop their businesses, invest in their communities or protect the environment. In 1997, many organisations from different countries **(A3)** ... together and one international Fairtrade organisation was formed. We hope that in the next few decades the lives of millions of people in developing countries **(A4)** ... by Fairtrade.
