

# What is Ratios?

**Objective:**  
I can identify a ratio as a comparison between two things.

The image shows a table of contents page from a book. The title 'Table of contents' is at the top. Below it are two entries, each with a small icon and a number in a box. The first entry is 'Ms. Bayxi K35' and the second is 'Ms. Gift K36'. At the bottom, there is a note: 'You can download the book of the author here' with a link 'www.9781234567890.com'. The page has a decorative border with small stars and a pencil icon in the top right corner.

10

An icon featuring a calculator and a notepad with a pencil, positioned in the top right corner of the slide.
