

Title: A Day at Green Park

Reading Text:

Green Park is one of the most popular places in the city. Every weekend, families, students, and tourists visit the park to relax and enjoy nature. Many people come early in the morning to walk their dogs or do exercise. In the afternoon, children play in the playground while adults sit on the benches and read books. There is also a small lake where visitors can rent boats. The park is clean, quiet, and safe, making it a perfect place to spend time outdoors.
