

# LISTENING PRACTICE

## MUSIC TIME! :D

Beautiful things

### 1. Order the lyrics (1-9)

But lately, I've been doin' better  
She'll come and stay the night, and I think I might have it all  
I found a girl my parents love  
Than the last four cold Decembers I recall  
And I thank God every day  
For a while there, it was rough  
And I see my family every month  
But I know the things He gives me, he can take away  
For the girl He sent my way

### 2. Complete the lyrics

\_\_\_\_\_, \_\_\_\_\_,  
I \_\_\_\_\_ you, I \_\_\_\_\_ you, oh, God  
Don't take  
These \_\_\_\_\_ things that I've got

### 3- Choose the correct word

I FOR/FOUND my mind, I'm feelin' sane, it's been a while, but I'm findin' my faith  
If ANYTHING/EVERYTHING good and it's great, why do I sit and WELL/WAIT 'til it's gone?  
Oh, I'll tell ya, I know I've got enough, I've got PIECE/PEACE, and I've got love  
But I'm up at night LIKING/THINKING, I just might lose it all
