

## **B4-B6 NO, NOT, NOR, NEITHER, NONE**

### **CARD 2**

1. The new electric car is ... only affordable but also incredibly efficient.
2. ... one has beaten that video game level yet.
3. I muted the group chat so as ... to be distracted while studying.
4. ... all sharks are dangerous to humans.
5. "Did you like the plot or the characters in that series?" – "... The acting was fantastic, but the story was weak."
6. There are ... easy answers to the problem of climate change.
7. I am ... at all interested in celebrity gossip.
8. They ... only visited the Colosseum in Rome but also explored the hidden backstreets.
9. He left the meeting early so as ... to get stuck in rush hour traffic.
10. "Are there any tickets left for the festival?" – "... They sold out in literally five minutes."
11. She always stays positive, ... matter what challenges she faces at work.
12. ... of my two best friends was free to hang out, so I just scrolled through social media at home.
13. It is ... use complaining about the weather; we can't change it.
14. ... only is she an incredible guitarist, but she also writes all her own songs.
