CZĘŚĆ IV – CZYTANIE (READING)

Tekst

Last summer, I applied for a job in a small hotel near my town. At first, the job seemed well-paid and not too demanding. However, after the first week I realised the work was much harder than I expected. I had to deal with difficult customers, work long shifts and even clean rooms when other staff members didn't show up. The manager was kind, but the working conditions were terrible. In the end, I decided to leave the job and look for something less stressful.

Zadanie 1. Prawda / Fałsz.

1. The job was easy at the beginning.
2. The writer had to deal with customers.
3. The writer never worked long shifts.

4. The manager was not friendly.
