

"NINE TO FIVE" SONG ACTIVITY

Task - Listen to the song and choose the correct words.

Tumble out of bed and I stumble **for / to** the kitchen
Pour myself a cup **from / of** ambition
And yawn and stretch and try to come **for / to** life
Jump **in / on** the shower and the blood starts pumping
Out on the street, the traffic starts jumping
With folks like me on the job **from / for** nine to five

Working nine to five, what a way to make a living
Barely getting **through / by**, it's all takin' and no giving
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it
Nine to five, **for / of** service and devotion
You would think that I would deserve a fair promotion
Want to move **forward / ahead**
but the boss won't seem to let me
I swear sometimes that man is **out / in** to get me

They let you dream just to watch them shatter
You're just a step **on / up** the bossman's ladder
But you've got dreams he'll never take away
In / On the same boat with a lot of your friends
Waiting for the day your ship'll come **out / in**
And the tide's going to turn
and it's all going to roll your way

Working nine **to / for** five, what a way to make a living
Barely getting by, it's all takin' and no giving
They just use your mind and you never get the credit
It's enough to drive you crazy if you let it
Nine to five, yeah, they got you where they want you
There's a better life
and you think **around / about** it don't you
It's a rich man's game no matter what they call it
And you spend your life putting money in his wallet
