## Matematika

Tema: Mengenal Bangun Datar

Nama: \_\_\_\_\_ Kelas: \_\_\_\_\_

## Ciri-Ciri Bangun Datar

Lengkapilah tabel di bawah ini.

| Gambar                                                                              | Nama | Jumlah Sisi | Jumlah Sudut |
|-------------------------------------------------------------------------------------|------|-------------|--------------|
|    |      |             |              |
|    |      |             |              |
|  |      |             |              |
|  |      |             |              |
|  |      |             |              |
|  |      |             |              |
|  |      |             |              |

## Sifat-Sifat Bangun Datar

Tulislah sifat-sifat bangun datar di bawah ini.
