Liveworksheets Saving Instructions:
• Title: **Adjectives Worksheet – [Tu Nombre Completo]**
• Level: **B1**
• Description: *Interactive practice with adjectives for high school students, including fill-in-the-blanks, multiple choice, matching, and image-based tasks.*

Reflection (5–6 lines):
I chose the topic of adjectives because they help students improve their ability to describe people, objects, and situations with greater detail and accuracy. The 15-question interactive worksheet includes multiple formats such as fill-in-the-blanks, matching, and multiple choice, which support deeper comprehension. Image-based tasks allow learners to apply adjectives in real contexts. The activity is appropriate for B1 high school students, promoting vocabulary expansion and better descriptive writing. Using Liveworksheets makes the activity dynamic and engaging for learners.
