Our school has a beautiful garden. It is located behind the main building and is quite spacious. In the garden, there are many colorful flowers such as red roses, yellow sunflowers, and purple lavender. Tall green trees provide shade in some areas, making it a cool place to relax. We also have a small pond with some goldfish swimming in it. The air in the garden is always fresh and filled with the sweet smell of the flowers. Many students enjoy spending their free time in the garden, reading books or chatting with friends. It is a peaceful and lovely place.
