# *Saving Money*

Saving money is important for people of all ages. It helps us prepare for the \_\_\_\_\_ and feel more \_\_\_\_\_. Many people try to save a \_\_\_\_\_ money every month. Even small amounts can \_\_\_\_\_.

A common place to save money is a \_\_\_\_\_ account. Banks keep your money \_\_\_\_\_, and some accounts even give you \_\_\_\_\_. This means your money slowly \_\_\_\_\_ over time. It's a simple way to build savings.

People save money for different \_\_\_\_\_. Some save for \_\_\_\_\_, like when a car breaks down or someone gets \_\_\_\_\_. Others save for big \_\_\_\_\_, such as buying a \_\_\_\_\_ or going on a special \_\_\_\_\_. Goals give people \_\_\_\_\_.

Saving money also helps reduce \_\_\_\_\_. When you know you have some money saved, you feel more \_\_\_\_\_ about the future. It gives you a sense of \_\_\_\_\_ over your \_\_\_\_\_.

It's never too \_\_\_\_\_ to start saving. You can begin with a small \_\_\_\_\_ each week. Over time, your savings will \_\_\_\_\_, and you will feel \_\_\_\_\_ of your progress.
