Independence Day at SMPN 12 Kolaka Utara

On August 17th, SMPN 12 Kolaka Utara held a special celebration for Indonesia's Independence Day. The students came to school very early because they didn't want to miss any activity. The school yard was decorated with red and white ornaments, and everyone looked excited.

The ceremony started at 7 a.m. When the flag was raised, all students sang the national anthem proudly. After the ceremony ended, the teachers announced that several competitions would begin. Many students joined the games, although some preferred to watch and cheer for their friends.

The first competition was a sack race. It was very funny because some students fell, but they continued running with big smiles. Then, the panjat pinang competition attracted many spectators. It was difficult, so the teams had to work together to reach the top.

Before going home, the principal gave a short speech to thank everyone for participating. Finally, the winners received their prizes, and the students took photos together to remember the day. It was truly a meaningful Independence Day celebration at SMPN 12 Kolaka Utara.
