I live in a house with my family. My house is big. It is white. It has a garage, a hall, a bathroom, a kitchen, a living-room and three bedrooms. The garage is quite big. There is a car and two bicycles in the garage.

The living-room is very big. There is a sofa, an armchair, a big table and six chairs. Also, we have a television and the computer there.

The bedrooms are quite small. My bedroom is very beautiful. There is a bed, a wardrobe, a table, a chair and a computer in my bedroom. Also, there are six posters on the wall.
