

Rita's diary

Fill in the gaps with

all, any, no, none.

I have _____ real friends at school. We get on really in class, but _____ of my classmates share my interests. _____ my friends are my neighbours, but I have _____ time to see them. Actually, I don't have _____ free time. I have dance classes every day after school, reading club and lots of homework. Moreover, my friends are busy _____ the time, too. _____ one is there when I need them. _____ of my friends live far, but we spend more time chatting on the Net than hanging out together. Do you have _____ ideas how to change it? I have _____.
