**PUBLIC NOTICE**

Pahang will experience more frequent thunderstorms and heavy rains as the Monsoon Transition Phase begins at the end of September.

With the increased rain, the risk of flash floods will also rise. Therefore, children are advised not to play in floodwaters. The public must stay informed - regularly check weather updates from trusted sources and heed warnings from local authorities. Be prepared for emergencies by supplying your home with essentials, including bottled water, food, and a first-aid kit.

Stay safe and do not underestimate the power of nature. Floods can strike unexpectedly, and it is crucial to remain cautious during this monsoon season.

**The Department of Meteorology, Pahang**  
**22 SEPTEMBER 2025**

2 The likely reason the notice includes a list of emergency supplies is to

- A stay prepared for thunderstorms and strong winds during the monsoon
- B promote readiness if they can't leave their house during a flood.
- C remind the public that floods can happen at any time and are dangerous

**Attention!**

In celebration of World Environment Day, our school is launching the Green Habits Challenge next Monday! We invite everyone to actively participate by switching off lights, fans and air conditioners whenever they are not in use. The Nature Club will monitor classrooms daily and award points to classes that consistently practise energy-saving habits. The class with the highest score at the end of the month will receive a surprise eco-friendly gift. Remember, small actions can make a big difference to our planet!

3 From the announcement, we know that the school wants to

- A reward the Nature Club for their environmental efforts.
- B encourage pupils to reduce electricity wastage in classrooms.
- C check whether classes are using eco-friendly products regularly.
