

## The Regency Period (1811- 1820)

Fill in the blanks with the right words

architecture   fashion   insane   ladder   married   regent   security

The Regency Period was named after George IV who became Prince \_\_\_\_\_ in 1811.

This means that he governed instead of his father because it was thought that his father, King George III, had gone \_\_\_\_\_.

Prince Regent loved \_\_\_\_\_, literature and \_\_\_\_\_.

In the Regency Period the only goal in a woman's life was to get \_\_\_\_\_.

Marriage was very important because it gave them financial \_\_\_\_\_ and they could also climb up the social \_\_\_\_\_.

### Social classes:

Draw lines to match the social class with the picture

	working class
	upper class
	middle class
