Kiera Lorraine Macklestone is a circus acrobat. She is only 19, but she (A1) ... professionally for almost ten years. Kiera first performed on a trapeze (спорт. трапеция) when she was five and she (A2) ... her first tightrope walk (ходьба по канату) when she was seven. Amazingly, she has never broken a bone despite the fact that she has had a few falls. Kiera loves her job but she knows she will not be able to do it forever, so at the moment she (A3) ... Economics at London Business School. "I need an alternative career," she says, "and I am working really hard to get a degree." She hopes her skills (A4) ... in the job market.
