squash

Want to play?

Sports and equipment

Alright, so we're heading to the tennis court, right?
I'm thinking about what we'll need for our match.

Definitely! You can't play tennis without the right gear.
I'm sure we'll need something to hit the ball with.

trainers

racket

helmet

Next

So, we're off to the pool for a swim now,
and I'm not sure what I need to wear.

You'll definitely want something that allows you to move freely in the
water, right? Something that fits snugly and doesn't slow you down.

rope

bat

swimsuit

Next

We're heading to the gym for a boxing session today,
but I can't decide what we need to bring.

Well, we'll need something to protect our hands
and make the punches more effective.

boxing gloves

stick

ball

rowing

Unit 9

Want to play?

Sports and places

I've been thinking about trying a sport that involves running laps and hurdles.

Ah yes, I believe it's a place designed for races. You can have lanes marked out, and it's often used for both sprints and longer distances.

pitch

court

track

Next

I was hoping to play a team sport where you kick a ball, similar to rugby. We'll need a large open pitch with goals at each end.

Right! It's an outdoor area with plenty of space. Sometimes you see these places used for various sports like football, and it's usually covered in grass.

course

field

sports centre

Next

I'm really looking forward to trying out some ice sports. I've heard that this place is specifically designed for activities like ice hockey and figure skating.

Yes, that sounds like the right place! It's a well-maintained area, usually inside, where the ice is perfect for sliding around on skates.

rink

swimming pool

sea
