

$$2 + 22 = 24$$

$$34 - 16 + 2 = 20$$

$$100 + 143 + 22 = 265$$

$$\frac{3}{4} + \frac{1}{4} = 1$$

$$4,75 + 2,6 = 7,35$$

$$0,375 + 1,4 = 1,775$$

$$900 - 458 = 442$$

$$10000 - 4389 = 5611$$

$$8,2 - 3,75 = 4,45$$
