Reading Passage

Singapore has a total area of 682.3 sq. km. which is found in Asia. **It** has no natural resources such as mineral or Arabic lands. People are its biggest assets. Singapore has to import even its drinking water. This means that its dependence on other countries for survival is very high. The people are a mix of various races. Almost 76% of Singaporeans are Chinese, 14% are Malays and 8% are Indians.

Singapore has official language; English, Malay, Mandarin, Chinese and Tamil. English is common language and the language of business and governments and medium of instruction in school.

Buddhism is the most widely practiced religion in Singapore with 33% of resident population declaring **themselves** adherents of the most recent census. The next most **practiced** religion is Christianity followed by Islam, Taoism, and Hinduism. 17% of the population did not have religious affiliation.

Adopted from freedom is not free revised edition
